## Better Light Scanning/Digitisation of Artwork

Better Light scan cameras are renowned world wide as producing the finest high resolution capture devices. Prolab purchased one in August 2007 to provide the highest standard in art reproduction to our wide artist community.

### Artwork Size Scanned 1:1

A3 297x432	\$65.00
A2 420x594	\$65.00
A1 594x840	\$94.00
A0 840x1118	\$138.00
A00 1118x1680	\$179.00

For photography of large quantities of paintings, please contact us for a quote on 8333 2166. For larger sized paintings price on application.

## Limited Edition Giclée set up Scanning

This service is for those Artists who wish to produce the very best Limited Edition Giclee prints for their original Artwork. The original artwork is photographed with the Better Light scan camera, colour corrected against the original and tested on paper until an accurate match is obtained between the original and the paper test.

Artwork Size Scanned 1:1	Giclee set-up including colour testing
A2 420x594	\$144.00
A1 594x840	\$185.00
A0 840x1118	\$235.00
A00 1118x1680	\$250.00

For more information regarding our Giclee set-up service, please feel free to contact the Lab on 08 8333 2166.
